

Mr Robert Hill
21 Stenhouse Street East
Edinburgh
EH11 3DD

Date 23 November
2017

Dear Mr Hill,

COMMERCIAL DOG WALKER REGISTRATION PAWSITIVE STRIDES

Thank you for registering your commercial dog walking business with us. Your details will be held on a database and be subject to the Data Protection Act.

Please find enclosed a copy of the code of conduct and also your permission card. The card should be worn by the person walking the dogs in Edinburgh's Parks so that it can be presented upon request by any Council Officer. Please note that additional cards can be issued if you have more than one person representing the business and walking dogs.

Also enclosed is an A4 poster which should be displayed inside your vehicle, if you have one. You should write the name of company, contact number and email address in the space provided. If you require additional posters, contact me on email address below.

Remember permission is conditional on you, and any employees or partners, abiding by the code of conduct.

Any complaint about professional dog walkers will be thoroughly and fairly investigated. The Council can withdraw permission and seek to exclude anyone who attempts to access Council parks and greenspace without permission.

If you no longer wish to be registered please email parks@edinburgh.gov.uk so that your details can be removed from our database.

Yours sincerely

Hannah Fleming
